

Full Length and One Act Play Scripts

The following is a list of scripts which are held by the Hayes Players, and which are available for BTG and KDA societies to borrow.

The scripts are only suitable for reading to research the suitability of plays – we usually have only one or two copies, and many are marked acting scripts.

Please contact Tony Newman at treasurer@hayesplayers.org.uk if you are interested in borrowing any of the scripts. A charge will be made to cover the cost of postage.
